

Nuclear Africa 2013

Conference and Exhibition

18 March 2013

Programme: Day 1

08h30	Dr. Kelvin Kemm <i>Session Chair (CEO, Stratek)</i>	Opening Remarks
08h45	Minister Dipuo Peters <i>Minister of Energy</i>	Opening Address
09h15	Mr. Phumzile Tshelane <i>CEO: NECSA</i>	SA Nuclear Industry Developments
09h45	Mr. Danny Quan <i>Head of Nuclear Construction, Aveng Nuclear</i>	Bonding challenges for the South African construction industry in the context of nuclear new build.
10h15 Mid-Morning Refreshments and Networking		
SESSION CHAIR: Mr Ayanda Myoli (CEO, NIASA)		
10h45	Mr Mile Sofijanic <i>MD: Concor; Murray & Roberts Group</i>	Mobilising SA Industry for Nuclear Build
11h15	Mr. Andrew Kenny <i>Independent Energy Consultant</i>	Position of Nuclear Power in an Energy Mix
11h45	Mr. Caesar Mtetwa <i>President: National Society of Black Engineers</i>	Welcoming Comment: Outlook of NSBE concerning Nuclear Progress
11h50	Deputy President Kgalema Motlanthe <i>Chair : National Nuclear Energy Executive Coordination Committee</i>	Positioning Address
12h20	Dr. Rob Adam <i>President: NIASA</i>	NIASA: Appreciation and Comment on Morning
12h30	Mr. Ayanda Myoli <i>Session Chair (CEO: NIASA)</i>	Delegate Discussion
13h00 Lunch		
SESSION CHAIR: Ms Judi Nwokedi (Board Member: NIASA)		
14h00	Mr Alexander Kirillova <i>Director: South Africa: Rosatom</i>	Rosatom Integrated Approach
14h30	Mr. Martin Wenban <i>Vice President: AMEC ; Nuclear New Build; UK</i>	Lessons from the first Nuclear New Build programme in the UK since Sizewell 1995
15h00 Mid-Afternoon Refreshments and Networking		
15h30	Mr. Thabo Tselane <i>Acting CEO: National Nuclear Regulator</i>	An optimised, effective and efficient regulatory framework for nuclear safety
16h00	Dr. Kelvin Kemm <i>Session Chair (CEO, Stratek)</i>	Summation of Day & Open Debate
16h15	Networking Break	Delegate Discussion
17h00	Cocktail Networking	

19 March 2013

Programme: Day 2

08h30	Mr. Ayanda Myoli <i>Session Chair (CEO, NIASA)</i>	Opening Remarks
08h45	Prof Itumeleng Mosala <i>Regional Vice President, Westinghouse Electric SA</i>	Localising safe, clean, nuclear power based on a modularised approach
