

Nuclear Africa 2018

Conference and Exhibition

Theme:
*Nuclear Power for
Economic Progress*

NUCLEAR POWER FOR ECONOMIC PROGRESS
19-21 SEPTEMBER 2018 | SOUTH AFRICA

Join us for the most prominent
African Nuclear Gathering of the Year
Network with key role players.

The Conference consists of:
TWO DAY CONFERENCE
..... **R8 208.00** (incl VAT)
NETWORKING FUNCTION
..... **R1 824.00** (incl VAT)

Keynote Speaker: Minister of Energy
Hon. Mr Jeff Radebe

VENUE: Misty Hills Country Hotel, Muldersdrift, Johannesburg

Previous Nuclear Africa conferences have become known as the conference where people of influence gather. They have attracted attention as landmark events which gain significant media attention. Technology, economics and political influence come together in nuclear cohesion.
